SCHEID HALL

Dedicated in memory of Linda Scheid, the legislator who championed the “Surly Bill” that made all of this possible, Scheid Hall is a state-of-the-art meeting and event center with a total capacity of 175 guests, depending on the type of function desired. With a full spectacular view of our working brewhouse and the industrial Minneapolis skyline, it’s a unique space well suited to a wide range of events.

Every event reservation includes 30 minutes of complimentary setup time prior to your scheduled event start time. If there is no event prior to yours, the space may be available earlier for set-up. Early setup availability will be confirmed by your Surly event planner two weeks prior to your event. A room rental fee may apply.

WHAT'S IT GOING TO COST?

Surly does not require a meeting room rental, rather when booking a private event, you must meet the contracted food and beverage minimum. Should the food and beverage minimum not be reached during your event, a room fee will be added to the final bill to reach the food and beverage minimum. Your Surly event planner will provide you with the food & beverage minimum that coincides with your reservation.

You're here for the food and the beer, so let's show your guests where it all came from! Treat your guests to a tour of our brewery, full of stories about Surly's history and our beer creation process. We have a couple of tour options for your group depending on the number of guests in your party.

BIRD'S EYE VIEW TOUR | \$200

Scheid Hall's floor-to-ceiling windows overlook our state-of-the-art brew house, providing the perfect backdrop for hearing the Surly Story. Let one of our tour guides add some Surly to your program and share the history of Surly and the process behind our product with your group while they enjoy a beer with us and have a chance to ask their own Surly questions. The presentation lasts approximately 30 minutes.

INTERACTIVE BREWERY TOUR | \$200

Let our tour guides get your guests out of their chairs and take them on a tour of the Surly campus while hearing the Surly story, learning about our beers, and getting an up-close look at where the magic happens. Tours are limited to 25 guests per tour and can be staggered throughout your event. Tours last approximately 30 minutes each.

MENU SELECTIONS

Check out our current event menu for seasonal selections Chef and his team are offering. We'd love to start putting together your menu ideas sooner rather than later. Your event planner will work with you directly to plan your menu for the evening. Allergies and certain dietary restrictions can be accommodated. Currently, plated options are not available.

To ensure your event's success we'd like to have your menu and event details outlined in your final event order two weeks out from your event. Your guaranteed guest count, and menu counts if applicable, are due (5) business days prior to your event. If the guaranteed guest count is not received, the guest count given at the time of booking will be used. At this time your signed final event order agreeing to your menu is as well. We will make every effort to accommodate any last-minute increase in guest counts. Decreases in the guest count are not allowed within five (5) business days of the event.

Additional food may be ordered during your event, a 10% current menu price increase will apply. Menu items available for reorder will be provided by Chef on the day of the event. Menu pricing on food and beverage is guaranteed 60 days prior to your event.

Menu items are subject to change based on availability, supply, and demand.

FOOD & BEER POLICIES

Surly's event center is in our brewery, and due to the Minnesota State Tap Room law, we can only serve our own beer. Our really, *really* good beer. Scheid Hall offers you your very own private bar space with a full tap lineup of Surly beers, plus an assortment of soft drinks and complimentary water service. How you wish to handle this beverage portion is all up to you and your budget needs! Please contact your Surly event planner for further details and options. You may not bring wine, spirits, or any other kind of beverage to your event. Absolutely no flasks, wine bottles, or any kind of spirits/alcohol may be brought into the building. If outside alcohol is discovered in the possession of a guest, the contents will be disposed of.

All food is made in-house and must be consumed in-house. Except for specialty cakes and desserts, no outside food or beverage is allowed. In accordance with the State of Minnesota health codes, no food or beverage can be packed up for takeout. All buffets must be taken down after three (3) hours for food safety.

DESSERT

We have a talented pastry team staffed to provide our guests with the best dessert in town. If you have a bakery you would prefer to use, you may do so. Desserts brought in from an outside source will be subject to a \$4.50 per person serving fee. The events team will be happy to speak with you regarding your specific dessert needs. At the end of your event, any cakes or cupcakes that have not been cut or served to the group may be boxed up and taken home with you.

PREFERRED VENDORS

Surly Brewing Company allows outside vendors (DJs, florists, up-lighting designers, decorators, etc.) of your choice. We also have awesome event partners that we'd love to introduce you to. Your event planner would love to help you get the conversation started!

STUFF YOU CAN'T DO

Your own centerpieces and decorations may be brought in as long as they do not conflict with the following. You may not affix anything to the walls, floors, or ceilings unless a pre-approved vendor does it. **ABSOLUTELY** no glitter, glitter balloons, confetti, feather boas, flower petals, ceiling draping, nails (the kind you hammer), duct tape, adhesive back strips (command strips), thumbtacks, or flames (candles, torches, etc.). Use of any of these items, or damage caused to Surly property may result in a damage fee.

NOISE

Here at Surly, we love a good time, and we want you and your guests to have a good time! But we need to make sure our guests in the restaurants, beer hall, and beer garden have a good time too. Bands, DJs, and other forms of live entertainment are welcome in the event center but must be approved by your event planner first. Live bands and DJs must provide their own equipment and staging. They cannot plug into our in-house sound system. A sound check will also be required prior to your event to ensure noise isn't bleeding into the public spaces outside of Scheid Hall. Should your entertainment be asked to turn down their volume during the event, they must do so immediately. If the group does not take action after two requests, we will pull the plug on your party. Please ensure you communicate this with your entertainment, it is your responsibility.

FESTIVAL FIELD

We like to keep things rocking at our Minneapolis brewery and make sure all our guests have a great time. From the beer garden to the brewhouse, an exciting and energetic atmosphere awaits you. During the nice season, we like to throw even bigger parties in our Festival Field space, which can make for a lot of people on site. Depending on the timing we may not know if we'll have anything planned in Festival Field on the day of your event when you book with us. Should your event date align with one of our Festival Field events you can rest assured our event spaces are protected from noise, the crowds, and any unwanted party guests. Your event planner will work with you to navigate every detail to perfection, you won't even notice what else is happening. Additional security will be provided for your event at no cost, and complimentary valet parking will be provided to you and all your guests. We'll even throw in a couple of tickets to the next Festival Field show so you can come back and enjoy one yourself!
