## FOOD MENU

### **ALL OUR PIZZAS ARE 12" AND FEED 1-2 PEOPLE.**

Our crust is charred, not burned. And that makes all the difference.

This pizza is surly's interpretation of what is commonly known as a *new haven-style pie*. Feel free to google that in your spare time. One feature we fell in love with was the char of the crust, caused by the intense heat of the oven.

If you've left a frozen pizza in the oven too long because you fell asleep on the couch, you know what burned is. This isn't that. Take a bite. You'll know right away.

### **WE'RE USING OUR HOUSE BREWERS YEAST**

in the crust. Harvested after fermentation and repurposed, this yeast now provides the foundation for our beer \*and\* our pizza. Waste not, want not.
